

P-102 KNOWLEDGE ORGANISATION (CLASSIFICATION THEORY)

LONG TYPE QUESTIONS:

1. Explain the difference mode of subject formation with suitable examples?
2. What is faced sequence? Explain the principle of facet sequence.
3. What is PMEST? explain each category with appropriate examples?
4. what do you mean by classification explain the purpose and function of classification.
5. Explain the notation system used in DDC, UDC and CC.
6. What are the basic laws of classification enunciated by D.R. SR Ranganathan?
7. Explain the various services provided by DRTC For library development.
8. Explains in details importance and need of Classification in library?
9. Explain with examples the mode of formation of subject?
10. Describe the faced sequence. The facet sequence principle should be explained.
11. Describe PMEST. Describe each category with suitable examples?
12. What do you mean by classification? Describe its use and function.
13. Describe the notational conventions used in CC, UDC, and DDC.
14. What are D.R. SR Ranganathan's five fundamental classification laws?
15. Describe the many services the DRTC offers for library development.
16. Describes the significance and necessity of classification in libraries in detail?

SHORT ANSWER TYPES:

1. Why library classification is necessary for elective library services?
2. States the basic features of DDC.
3. Explain the basic features of CC.
4. Difference between pure and Mixed notation.
5. States the cannons of ideal principle.
6. Explain the notational system in CC.
7. What is ACI in CC.
8. What is analytical synthetic scheme of classification?
9. What are the seven tables of DDC19th edition?
10. What is auxiliary table in UDC.
11. Explain the purpose of Notation.
12. Whan and by whom DRTC was established?
13. What is mixed notation?
14. Write down the connective symbols of PMEST.
15. Define call number.
16. Define distillation mode of subject formation.
17. What is book number in classification?
18. What do you mean by library classification?
19. What is the latest edition of DDC and when it was published.
20. What are the six table of DDC 23rd edition?
21. What is web dew?
