

Government Autonomous College, Rourkela

Faculty Profile

Name	MR. ASTWIK BARIK			
Designation	Faculty			
Department	Computer Science			
Address (Office)	Government Autonomous College Rourkela			
Address (Residence)	E/38, Sector-20, Rourkela			
Voice (Landline/Mobile)	9438714627			
Email	astik123sir@gmail.com			
Alternate Email	eas_tik@rediffmail.com			
Qualifications				
Degree	Institution	Year	Subject Details	
B.com	Utkal University	1997	B. com(Accounting) Hons	
MCA	Madurai Kamraj University	2008	Master of Computer Application	
Sun Certified Courses	Java Sun certified Programmer Exam	2006	Java & Advance Java	
Areas of Interest :- In Programming Language like C, C++, Java and advance Java Data Structure & Python				
Teaching/Research Experience				
Organization/Institution	Designation	Duration	Role	
DAMITS	Lab Programmer	2006-2008	System Administrator	
TIIT(Tapaswini Ins. Information & Technology)	Faculty	2008-2010	Teaching to BCA & MCA Students	
Government Autonomous College Rourkela	Faculty(Contractual)	2010 to till date	Teaching to B Sc. & MSc. Comp. Sc. Students	
Areas of Interest/ Specialization:				
Programming & Algorithm				
Course Taught:-				
C Programming, Object Oriented Programming C++, Operating System				
Digital Logic, Internet & Web Technology, Theory Of Computation,				
Data Structure, Design & Analysis Of Algorithms, Java Programming				

Seminar/Symposium/Webinar/Workshop/FDP/Orientation/ Refresher/Conference etc Attended [In Detail]
1)) One day International webinar on "Authentication technique" 27th march, 2023 Speaker: Dr. ArijitKarati, Dept. of CSE, NSYU, Taiwan
2) One day International webinar on "Computer vision" 27th march, 2023 Speaker: Dr. SambitBakshi, Dept. of CSE, NIT Rourkela
3) One day International webinar on "Deep learning" 18thmarch, 2023 Speaker: Dr. Sandeep singh sengar, Dept. of CSC, Cardiff Metropolitan University, UK
4) One day International webinar on "Blockchain" 18th march, 2023 Speaker: Dr. Sanjaykumar Panda, Dept. of CSE, NIT Warangal
5) One day National webinar on "fundamental of genetic algorithm and its application" march, 2023 Speaker: Dr. Haider Banka, Dept. of CSE, IIT Dhanbad
6) One day National webinar on "security threat & solution"08thmarch, 2022 Speaker: Dr. Preeti Chandrakar, Dept. of CSE, NIT Raipur
7) One day International webinar on "Deep learning in Healthcare" 10th march, 2022 Speaker: Dr. Sandeep singh sengar, Dept. of CSC, Cardiff Metropolitan University, UK
8) One day National webinar on "recommended system" 04thmarch, 2022 Speaker: Dr. Sanjay kumar Panda, Dept. of CSE, NIT Warangal
9) One day International webinar on "Machine learning for biometrics " 10th march, 2022 Speaker: Dr. Sambit Bakshi, Dept. of CSE, NIT Rourkela
10) National Seminar On "Advances In Information Communication And Computing" 24th Dec 2018
11) Attended National Seminar In soft Computing I the year 2006 in DAMITS in 2007
12) Attended Teachers Training program in NIT Rourkela of Teaching skill (PEDAGOGY) in 2009
13) Attended workshop on Internet& web technology in CET (Center for Engineering & Technology) BBSR organized by NITTR in 2010
14) Attended Seminar on Wireless Network(5G) in NIT Rourkela in the year 2015
